PATENT US167157S Mc CORD 1952

PATENT US51420S MOFFAT 1917

PATENT US1755395 DUNN 1955

These patents show design patents of different items.

The DESIGN PATENTS are different to the usual patents. They are given for design only, not for the use. Concerning plumb bobs I did not find very much design patents. You will see more in WR Patent News 2007-28

This type of patents is very short, 1 or 2 pages: A drawing and a very **short description**:

- *“THE ORNAMENTAL DESIGN FOR A PLUMB BOB AS SHOWN”* (US51420S MOFFAT 1917)

Never seen as original.

- *“THE ORNAMENTAL DESIGN FOR A GRAIN THERMOMETER HOUSING AS SHOWN”* (US1755395 DUNN 1955)

This one looks similar (not exactly) to my #303 grain thermometer from “THE REFINERY SUPPLY COMPANY TULSA HOUSTON” as we can see it occasionally offered on Ebay.

- *“THE ORNAMENTAL DESIGN FOR PLUMB BOB SHEATH AS SHOWN”*
(US167157S Mc CORD 1952)

Do you have exactly this SHEATH in you collection?

I have a lot of plumb bob sheaths, but not exactly the same.
